Dear Parents/Guardians:

During the ongoing sanctions imposed by the Saskatchewan Teacher's Federation (STF), teachers will

- report to school and provide professional services no earlier than 15 minutes prior to the start of the school day and no later than 15 minutes after the conclusion of the school day;
- continue to provide student supervision, such as recess, lunch break and bus supervision, within the time frame mentioned above; and
- not provide any voluntary or extracurricular services during the sanction period.

School Hours

Due to these sanctions, the school doors will be open to students at 8:15am and closed at 3:15pm.

Morning Transportation

The school van will still do pickups on Tuesday, Wednesday and Friday mornings at the regular time, but on **Monday** and **Thursday** mornings there will be a **late** pick up. The van will leave at **8:35 am**. All other bussing rules still apply. Students must call/text in before 8:00 am to receive a ride that day.
