

Avery Outreach School Re-entry Plan

Welcome Back

On behalf of the staff at Avery Outreach School, I would like to welcome you back to school. The start-up and daily routines at Avery will definitely look different than other years, but we are excited to reopen the doors and welcome students back on September 8th. In the past two weeks, we have been developing plans for Avery Outreach based on the guidelines from the Province of Saskatchewan and LPSD.

Visitor Protocols

We welcome parents and caregivers but at this time we are limiting the amount of visitors in our school. Please communicate with the school via phone to make an appointment **306-825-9088**.

- All parents and visitors are required to wear a mask when entering the building.

Enhanced Safety Measures

- Increased sanitization of high touch areas throughout the school during and after the school day.
- **Masking:** All staff and students are required to wear a mask when entering and exiting the building, in common areas such as hallways, bathrooms and where physical distancing is not possible. (All students will be provided two reusable masks)
 - Students may choose to remove their mask if seated in their desk, engaged in individual work, but masks must be worn when there is direct interaction with another person.
- **Counselling support** is available for any students requiring mental health and social/emotional support.
- **Physical distancing:** staff and students will be expected to physically distance where possible. Physical contact must be avoided at all times.
- **Hand hygiene-** sanitization stations will be available in all homerooms and in multiple locations throughout the school. Students will be directed to sanitize throughout the school day.
- Students have been organized into classrooms with minimizing teachers attached to the cohorts.

Student Displaying COVID-19 Symptoms

- It is expected that parents will do a daily check of their child for symptoms of Covid-19 and not send their child to school.
- If a student develops symptoms at school or upon arrival at school:
 - The student will be isolated from other students and the parent or guardian will be notified to pick up the student immediately. The student will be supervised while in the isolation room or/the student will be sent home

School Protocols

- Full-time/Part-time Students are assigned to a homeroom, where they will remain throughout the school day.
- Part-time students must adhere to their scheduled times. (No random switching of days)
- Drop in students must schedule an appointment with their teacher for face-to face support, and/or support through google meets.
- Students are encouraged to go home for lunch if possible. If students choose to remain at the school, they are required to stay in their homeroom.
(There is no student access available to the kitchen area. ie, fridges, microwaves, dishes..)
- Students are encouraged to bring their own water bottle.

Rooms 106 (Thomson), 108 (Russell). 109 (Teasdale)	Rooms 116 (Gratton) & 118 (Valette)
Entry/Exit- Front Door	Entry/Exit- South Door
Break: 10:15-10:30	Break: 10:30-10:45

Busing

- There will be no busing available at this time.

Extra Curricular, Fields Trip

- All field trips and extra-curricular activities are postponed at this time.

Additional Information

For further details on the reopening of LPSD schools, please refer to the [Reopening LPSD Schools Plan](#) on lpsd.ca.

Child Daily Self-Assessment

DOES YOUR CHILD HAVE ANY OF THE FOLLOWING UNEXPECTED OR WORSENING SYMPTOMS?

Fever, cough, shortness of breath, sore throat, chills, headache, runny nose, conjunctivitis, nasal congestion, muscle or joint aches and pains, loss of sense of smell or taste, dizziness, nausea, vomiting, diarrhea, loss of appetite or fatigue.

YES OR NO

IS YOUR CHILD EXPERIENCING ANY OF THE FOLLOWING?

Severe difficulty breathing, severe chest pain, having a very hard time waking up, feeling confused, lost consciousness, short of breath at rest, inability to lie down because of difficulty breathing, or chronic health conditions that you are having difficulty managing because of your current respiratory illness.

YES OR NO

WAS YOUR CHILD EXPOSED TO SOMEONE WHO HAS BEEN CONFIRMED AS HAVING COVID-19 WITHIN THE LAST 14 DAYS?

YES OR NO

IN THE PAST 14 DAYS HAS YOUR CHILD RETURNED FROM INTERNATIONAL TRAVEL?

YES OR NO

CAREGIVER INFORMATION

Caregivers are required to conduct a daily self-assessment for children in their care to determine if they are healthy and able to attend school.

If your child answers "YES" to any of the above questions, begin self-isolation immediately. Contact Public Health at 8-1-1 for guidance and inform your child's school that they will not be in attendance.

If your child begins exhibiting symptoms of COVID-19 while at school you will be asked to pick them up immediately.

Children who regularly have symptoms that may be mistaken for COVID-19 symptoms are encouraged to provide a medical note to the school so that the teacher and necessary staff are aware.

To access the Saskatchewan Self-Assessment Tool please visit the Government of Saskatchewan or access with this QR Code

RETURN TO SCHOOLS

Safety Measures

HIGHLIGHTS OF THE REOPENING LPSD SCHOOLS PLAN

PHYSICAL DISTANCING

In order to limit contacts, cohorts will be created and the number of teacher exchanges reduced. Staggered entry/exits and breaks will be in place. Directional signage around school to encourage physical distancing

DAILY SELF-ASSESSMENTS & ILLNESS POLICY

Families, students and staff to self monitor and must stay home if they are sick or have symptoms. Schools will designate an isolation area for students or staff who become sick while at school. Parents/caregivers to pick up students promptly if they become sick.

MASKS

Mask will be required for staff and students in Grades 4-12 where physical distancing cannot be maintained. LPSD will provide two reusable cloth masks with disposable masks available at schools. All visitors and guests will be asked to wear masks while in the school.

HAND HYGIENE

Staff and students will practice frequent hand washing and sanitizing. Hand sanitizer will be placed in common areas and classrooms.

TRANSPORTATION

Buses will be cleaned/sanitized between runs and masks will be required by all passengers. Parents/caregivers are encouraged to transport children when possible.

ENHANCED CLEANING

Frequent and enhanced cleaning/sanitization with increased attention to high points of contact, shared equipment and commonly used areas.
